

Tournament Travel Behavior Guidelines and Contract

On this trip you will have an opportunity to meet new people, to see and experience new things, to live on your own with other people your own age, and to share with them friendship, fun and excitement, a few disappointments, and many great times.

All participants on the trip are expected to be polite, positive, well-mannered, cooperative, good sports, and respectful and considerate of others - those you encounter along the way as well as those with whom you are traveling.

The few rules are for the health, safety, and happiness of everyone. Rooms, roommates, and van/driving partners are assigned so that everyone gets time with everyone else, and to avoid hassles and hurt feelings. The goal is to foster interaction within the group, and encourage greater involvement with the people and places that will be encountered along the way.

Each player will be expected to observe the following guidelines:

- Adhere to check-in times, curfews, and places set by Coach.
- Follow the Buddy System at ALL times - WHENEVER OUT OF ROOM. NO ONE GOES ANYWHERE ALONE!!
- No member of the opposite sex allowed in players rooms
- No players allowed in rooms of members of the opposite sex
- No Alcohol consumption
- Listen to and adhere to Room Captain's - Room captain is responsible for leading their roommates by:
 1. Establishing that everyone has a BUDDY every time they leave room
 2. Designating who has room keys and keeps rooms locked at all times/SAFETY
 3. Getting all roommates up on time for breakfast at designated times
 4. Establishing shower schedules and make certain roommates stay on schedule
 5. Getting roommates to have their laundry bags ready at preset times
 6. Getting roommates to get ready to meet schedules for van departure and games
 7. Getting roommates to dinner and other activities at set meeting times
 8. Making certain all curfews are met & all roommates are in room before curfew
 9. Getting roommates to team meetings on time
 10. Getting roommates to keep rooms organized so personal items can be found/SAFE
 11. Communicating problems to Team Manager or Coach
 12. Getting roommates to respect players' pre-game rituals

At coach's discretion, if a "problem" occurs, i.e., missed curfew, the Room Captain is held responsible and may be "punished" by not being allowed to play in part or all of the next game or some other predefined consequence.

I agree to follow the behavior guidelines for the trip, and I understand the consequences if I do not live within them. I also understand that if I am sent home, my family and I will be liable for all expenses incurred as a result of that decision of the group leaders, including those incurred by any group leaders who must accompany me along the way.
